#### Superintendents Report

- Open house for the District was held on August 14<sup>th</sup> this year. This was different in that it was the evening of the first day of beginning PD. The community attendance was excellent and the staff really appreciated having the night before the first day with students open to relax and prepare. Many thanks to the Board for approving this change.
- We will be sending a pep bus to all of the High School football games this season for the cheerleaders and pep squad. The plan is for a 72-passenger bus. This will be for students only.
- Jr/Sr High Band has been added to the list of cooperative programs in place between Appleton City R-II and Montrose R-XIV school districts. Our current schedule allowed for this without any interruption and Montrose provides transportation for their eligible students to our site. Since the start on Friday 8/17 this has increased the size of our band by 5 students. We are hoping for more to come.
- Progress has started on updating and improving the District webpage. Improvements currently available on the webpage include front page links to the 2018-19 district budget, CSIP, and the cafeteria menu page hosted by OPAA. Improvements in progress include a front page link to the Elementary Facebook page, a scrolling marquee with district announcements and a scrolling picture collage. More will follow.

Next regular meeting Wednesday, September 19, 2018@ 7:15 p.m.

Appleton City Board of Education having duly voted to close its open meeting. Will not conduct a closed meeting on this date in the Library.

McClure made a motion, second by Smith to adjourn. Motion carried 7-0.
